The three (3) facilities, listed on the previous page, are the only pilot locations that will have site visits. It is recommended that the contractor attend a site visit at a location with the same security level which the contractor intends to submit a proposal for.

Only one (1) person from each prospective contractor may attend the site visit. The name of the individual attending the visit, the company they are affiliated with, and the institution(s) they plan on visiting must be submitted in writing to the Contracting Officer (CO) by 2:00 p.m., EST on May 17, 2007. Attendees will not be added to the visitor list after this date; there will be no exception.

Please arrive at the institution thirty (30) minutes before the scheduled visit in order to provide adequate time for identity verification and visitor processing. Any individual entering the institution must have two (2) valid forms of identification (ID), one of which must be a picture ID. It is not anticipated that the site visit will take longer than three (3) hours.

The site visits will provide prospective contractors the ability to view the layout of the program area. Technical questions will not be answered during the visit. All questions must be formulated and submitted in writing to the CO by 2:00 p.m., EST on Tuesday, June 5, 2007. No further questions will be accepted regarding Solicitation RFP-NAS-0159-07 after this date.

All terms and conditions of the solicitation remain unchanged.
